

Nova Scotia Minor Ball Hockey League - Refund policy – updated May 2025

We discourage player from registering and then deciding not to play. We do however appreciate that sometimes a change is required.

Once registration is received, if a player decides not to play for any reason, they may request a refund.

If a player decides not to play before 15 days before the start of the season as posted on the website a refund of \$150 will be provided.

After 15 days before the start of the season, and before 15 days after the start of the season, the league will refund \$100 of your registration fee.

No refunds will be offered after 15 days after the start of the season.

Team Jerseys are to be returned to the league after the final game has been played.

All parents agree to pay \$35 if they do not return their team jersey. This charge will be sent to the parent within two weeks after the season ends by email and will be payable by e-transfer. If the team jersey is returned, the cost will be waived.

Please ensure your player can play before registering.
